

# ***The Dr. Josef Steiner Cancer Research Award 2023***

**The Dr. Josef Steiner Cancer Foundation**

(established in 1985)

**is proud to announce the call for the 2023 Cancer Research Award**

## **ARE YOU**

- an innovative investigator early in your career (typically 40 years or less)?
- leading projects in basic and/or clinical cancer research with a focus on translational work?
- able to provide the infrastructure needed to carry out the proposed project?

If this is the case, we invite you to apply for the Award.

## **THE AWARD INCLUDES**

- funding up to the amount of **CHF 1'000'000** over 4 years for your outstanding cancer-related research project.
- a personal prize of **CHF 50'000**.

*Priority will be given to applications from scientists based within European institutions.*

The selection process follows a 3-stage procedure:

- First, project outlines will be evaluated. **The deadline for submission of project outlines is April 15<sup>th</sup>, 2022.**
- Second, authors of the most promising four to six project outlines will be requested to provide a full research proposal by September 1<sup>st</sup> 2022 that will be reviewed by international experts.
- Finally, interviews will be held in Bern, Switzerland, in January 2023.

The announcement of the Award will be made in February 2023. Earliest project start is March 1<sup>st</sup>, 2023.

The official prize ceremony will take place at the University of Bern in September 2023.
