

In order to support particularly qualified scientists in the field of

## Medical Research

the Foundation Prof Dr Max Cloëtta funds

# Research Positions

for a maximum period of five years.

Well-recognised researchers with experience in clinical or experimental medicine who have already made a name for themselves are eligible as applicants. Generally, they should not be more than 40 years old and work at a Swiss University Hospital or at a Swiss University Institute.

Applications must be submitted **by 30 June 2020** at the latest. The earliest possible start date of the financing of the positions is July 1, 2021.

Those interested can obtain more detailed information at [www.cloetta-stiftung.ch](http://www.cloetta-stiftung.ch) or at the office of the Foundation Prof Dr Max Cloëtta, Pfingstweidstrasse 10, 8005 Zurich; tel. 044 350 44 35 or by email at [cloetta@stiftung.ch](mailto:cloetta@stiftung.ch).
